ALLIES & ORGANIZATIONS

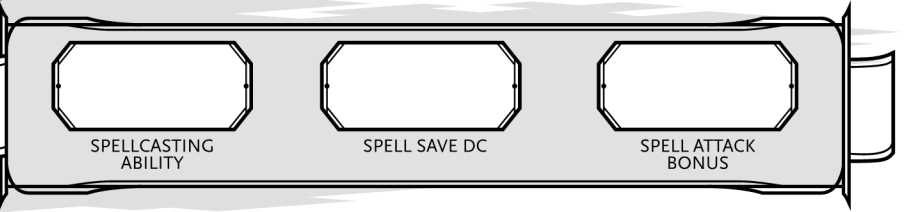

Pokey was born into war and was raised to kill. Born as a male he was taken at birth by his uncle who was a war general. At the age of 14 he was considered a man and able to join the battlefield. "The Great Swamp War" has been raging for 20 years. He doesn't have regard for life other than his own. Spending the next 2 years in war he has seen unimaginable things. On one of the worst fog days the swamp has ever seen, he was cornered by the enemy and with no weapons in hand he went into a viscous feeding frenzy. He was victorious but when the fog cleared he realized one of the people he killed was a female love interest. From that point on he vowed to never pointlessly kill again. Pokey now wonders the land to helps those in need of assistance or retribution. Being a lizardfolk it can be hard for people to trust him. His hardest mission was rescuing a rabbitfolk from prison.
